MANTEC, Inc. New Hires and Promotion

York, Pa. (February 14, 2005) - MANTEC, Inc., located at 227 W. Market Street in York, Pa., welcomes two new employees - Patrick Meese, District Manager for the Lebanon and northern Lancaster Counties and Mary Staub, Marketing and Special Events Coordinator – and announced the promotion of Jeff Davis to Business Development Specialist.

Patrick Meese will serve the Lebanon and northern Lancaster Counties as District Manager. In his role he will assist manufacturers in building an awareness of evolving technical and management issues. He will also assist manufacturers to identify, prioritize, and implement continuous improvement processes.

As Marketing and Event Coordinator for MANTEC Staub will create and execute marketing and public relations activities to position the organization within the its nine-county region. Staub's background is in both the manufacturing and non-profit marketing areas and is a May 2004 graduate from Elizabethtown College with a bachelor's degree in communications and concentration in marketing.

Jeff Davis is the new Business Development Specialist. In his new role Davis will be responsible for the identification, sale, and close of new business opportunities for MANTEC from leads, and formulate and test new products, analyze, evaluate and recommend new materials and suppliers to maximize profit, and ensure a competitive advantage. Davis has worked for MANTEC since 1999 as Manager of Marketing Services.

MANTEC, Inc. is a private nonprofit organization, one of seven Industrial Resource Centers located throughout Pennsylvania, and supported through the Department of Community and Economic Development. In addition, MANTEC is an affiliate of the U.S. Department of Commerce's National Institute of Standards & Technology (NIST) Manufacturing Extension Partnership (MEP).
