Biz Scan Assessment

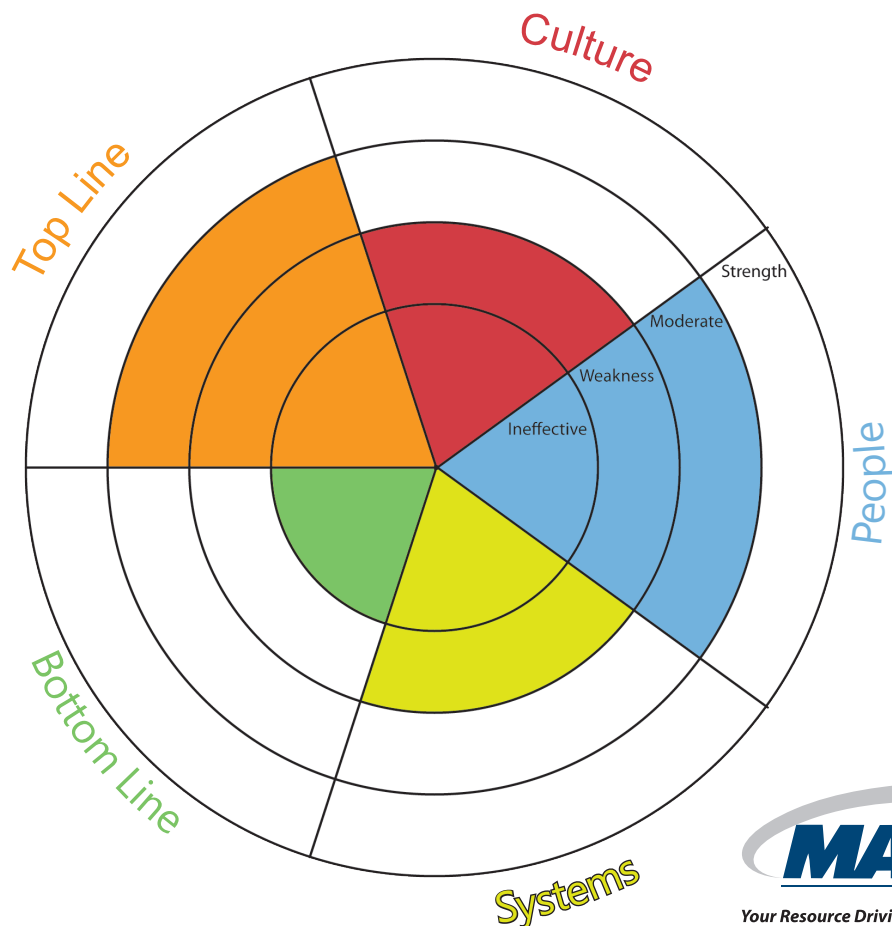

During a company self-assessment 5 business themes are evaluated and rated ineffective, weakness, moderate or strength. The assessment will highlight areas of

improvement to balance your organization. MANTEC will continue on the business transformation process with you to grow your revenue and profits.

What is Involved?

1. A guided tour of the facility to gain general knowledge of the business and overview operations.
2. A question and answer session to gather information about your business.
3. A review of the information gathered.
4. A discussion of opportunities for business transformation.

Where are your strengths and weaknesses?
