

David S. Hanan

Professional Business Advisor

David S. Hanan has been a Professional Business Advisor with MANTEC since 1998. In this role, David assists the manufacturers of Adams, Franklin and Fulton counties to continuously and strategically strengthen their business. David builds close relationships with the owners and staff of small to medium sized manufacturing firms, assisting them in identifying and prioritizing business improvement opportunities, creating implementation projects by selecting appropriate technical and financial resources and managing these projects to successful conclusions.

Mr. Hanan brings to MANTEC clients 15 years of experience in technical and logistical problem solving as a project manager, supervisor, and group leader involving systems, engineering and resource allocation. He was responsible for organizing, planning and completing large, complex projects as well as advising coaching, counseling, empowering people leading to personal growth and self sufficiency.

Mr. Hanan gained much of his experience at Ingersoll-Rand as a Plant Manager, Manufacturing Systems Engineer and a Senior Manufacturing Engineer. Additionally he worked for Champion Road Machinery and Manufacturing Systems Consultant.

Mr. Hanan holds a Bachelor of Science Degree in Industrial Engineering and a Master of Science in Manufacturing Systems Engineering from Lehigh University.
