

Workforce Development

Supervisory Training

This training will help enhance and develop supervisory skills throughout the workforce as well as improve the working relationship and effectiveness between employees and

managers. This training provides both traditional instructions and a library of practical job aids that leaders and supervisors will find invaluable for on-the-job support.

Five major managerial competencies will be covered. Content can be customized based on your needs.

- Each participant will receive a notebook with handouts.

To discuss Supervisory Development contact Brad Kreidler directly at 717-873-6755 or MANTEC at 717-843-5054
